

ADDENDUM TO 2011 600 SPRINT TOUR RULES

Revised 6/5/11

Tech

All cars will be notified by the one way radio at the conclusion of the race which cars must report to tech. Those cars must report to tech immediately after going over the scales. Tech will be held at the DR Motorsports/600 Sprint Tour trailer unless informed otherwise by a 600 Sprint Tour Official.

Lap Cars

All restarts are double file until the halfway point of that event. Then they are single file. Lap cars will be placed to the rear of the field at the last two laps of the race. Until then laps cars will hold their position.

Scales

- a) For all races (including Dash for Cashes) - All cars must go directly over scales unless otherwise notified by a 600 Sprint Tour Official upon leaving the race track. If you do not meet the minimum of 800 pounds you will receive "0" points and "0" money for that race. If you fail to go directly to scales you will be penalized to last place and receive "0" money.
