

**DAVID FERGUSON WINS THE "ORIGINAL PIZZA LOGS" 600 SPRINT TOUR RACE AT
BLACK ROCK SPEEDWAY SPEEDWAY**

Saturday night May 7, 2011 the "Original Pizza Logs" 600 Sprint Tour saw 23 cars enter the pits at Black Rock Speedway Speedway to see who could be the first winner of the new season. When the night was over it was David Ferguson in his AT&T, Speedy Cleaners, "hyper" chassis sitting in victory lane. David led 19 of 20 laps and held off a hard charging Tyler Walker. We would like to thank everyone for another great fun filled night of racing. Thanks to all our officials, drivers and fans.

Heat #1 saw Dan Knoll and Kirsten Domboski lead the field to the green. Knoll jumped out to the early lead but soon Eric Wise would take the lead. They fought tooth and nail for the victory with Eric Wise just beating Knoll at the finish line. They were followed by Dan Naegele, Kirsten Domboski, Megan Allen, Dan Kuhn, Hank Stanhope and Kevin Carlson.

Heat #2 saw Mike Livecchi and Nate Hendrix lead the field to the green. Livecchi would take the early lead. It was not an easy win for him as he had Tyler Walker and Nick Cooper breathing down his neck. Livecchi would hold onto the lead with Tyler Walker, Nick Cooper, John Smith, Keith Grandholm, Nate Hendrix and Matt Smith following him across the finish line. Steve Doell was a DNS.

Heat #3 saw David Ferguson and AJ Bogino lead the field to the green. Ferguson and Bogino would fight for the next 8 laps. When the checkers flew it was Ferguson over Bogino with Cody Shurgot, Darren Flower, Matt Farnham, Dominic Fuller and Joe Trenca following him across the finish line.

Eric Wise and Cody Shurgot would lead the 23 car starting field to the green. Dave Ferguson would jump out to the early lead but his lead would be short lived as AJ Bogino would pass him but by lap 2 Ferguson would be in the lead again. Ferguson would hang onto the lead for the rest of the race. Once Tyler Walker passed AJ Bogino he was just waiting for Ferguson to make a mistake as he was right on his tail. Ferguson made no mistakes and finally found himself sitting in victory lane after many second places finishes at Black Rock Speedway. Walker would finish second with AJ Bogino, Nick Cooper, Mike Livecchi, John Smith, Cody Shurgot, Megan Allen, Dan Naegele, Eric Wise, Darren Flower, Keith Granholm, Joe Trenca, Matt Farnham, Dominic Fuller, Nate Hendrix, Matt Smtih, Dan Knoll, Kevin Carlson, Kirsten Domboski, Dan Kuhn and Hank Stanhope. Steve Doell was a DNS.
